

Continuing Education Available for VGMU Extension Courses

This spreadsheet lists all current VGMU Extension courses and the continuing education credit offered by the credentialing organizations listed below. If the letters "ch" appear in a credentialing organization's column, it indicates that organization offers contact hours. If the letters "ch" do not appear in a column, it indicates that organization offers continuing education credits (i.e., CEUs, CRCEs, etc.). If a column is shaded, it indicates that we are awaiting approval by that organization for continuing education credit. If a column is blank, it indicates that organization does not offer continuing education credit for that course. **This spreadsheet is updated each time a new course is added to VGMU Extension or if continuing education information changes, so you should check the Effective Date of this document regularly.** If you have any questions about this spreadsheet, please contact VGM Education at 866-227-8171. Thank you for using VGMU Extension.

Credentialing organizations: **IACET** = International Association for Continuing Education and Training (accepted by RESNA and NRRTS); **RESNA** = Rehabilitation Engineering and Assistive Technology Society of North America; **CCMC** = Commission for Case Manager Certification; **IBON** = Iowa Board of Nursing; **ANCC** = American Nurses Credentialing Center; **AARC** = American Association for Respiratory Care; **ABC** = American Board for Certification in Orthotics and Prosthetics (**B** = Business/Facility Management PCEs; **S** = Scientific PCEs); **BOC** = Board for Orthotist/Prosthetist Certification (**C1** = Category I CPE credits; **C2** = Category II CPE credits).
