

# YOUR CUSTOMER EDUCATION MADE EASY

## Your Programs

Provide your own educational content for CEUs/contact hours or work with VGM Education's experts to create coursework and assessments that meet your needs.

## Your Brand

White label VGM's learning management system with your company's brand (logo, colors, images, etc.) so your customers associate your brand with top-notch professional education.

## Our Management

No more manual mail merges, emailing certificates, grading tests, or verifying completion. Let the learning management system work for you, making you more efficient and cost-effective.
